## MET Bhujbal Knowledge City

The MET League of Colleges is a conglomerate of premiere educational institutions, driven by a single-minded focus on imparting quality education to make students sharp. Established in 1989, with a mission to redefine the system of education, MET is a professionally managed, multi-disciplinary and multi-faceted oasis of knowledge. The grant of the ISO 9001:2008 certification is an acknowledgement of the institution's capability to deliver professional education that meets the highest standards of professionalism worldwide.

## SAC (Students' Association of Computer)

SAC – Students' Association of Computer was an idea, a challenge to create a platform for the students, by the students and of the students wherein students would come out of the shell to display their talent, innovation and help them make a cut above the rest.

**Established on 25th August 2012**, SAC has been creating waves ever since. SAC is committed in generating, disseminating, and preserving knowledge, and to working with others to bring this knowledge to bear on the world's great challenges.

SAC in association with CSI Student's Accredited Wing is dedicated to provide its members with an education that combines rigorous academic study and the excitement of discovery with the support and intellectual stimulation of a diverse campus community. We seek to develop in each member of the SAC the ability and passion to work wisely, creatively, and effectively for the betterment of humankind.

## Functions

- Generate awareness about technical know-how & updates on the current technical and nontechnical scenario.
- Conducting various seminars, workshops (in-house faculty as well as industry experts) throughout the year to enlighten students with the various technologies.
- Hosting Mega Technical Event “METASTORM” which aims at bringing forward various facets of students’ be it from managing an event, to competing with peers, to marketing oneself in the industry.
- Aggrandize CSR by conducting college level events that aims at helping the less fortunate.

## Milestones

- Yearly membership of more than 200 students from Computer Engineering Department.
- There has been various Technical, Non-Technical, and Cultural Events, workshops, seminars and CSR activities of which SAC has been an integral part of under the METASTORM event.
- Chief guests include technical experts, business tycoons, dignitaries, socialists, businessmen, high ranking law enforcement personnel, etc.
- Conducting State level event METASTORM.
- Participation of students from all over Maharashtra.

## Teachers' Day & Engineer's Day Celebration

We very well know that Teachers are the whole and soul reason of what we are now. They are the real life heroes who shape our life with values and virtues. SAC takes the responsibility of conducting Teachers' Day and making it as grand as possible. We work towards making this day "special", memorable and an experience which is outside the classroom boundaries for Teachers as well as students. Every year SAC celebrates the Teacher's Day Function on the occasion of **Birth Anniversary of Dr. Sarvapalli Radhakrishnan**. This year we the celebrated it on **15<sup>th</sup> September 2023**.

*Candle Lightning Ceremony on the occasion of "Teacher's and Engineer's Day Celebration" by the hands of Dr. V. P. Wani(Principal), HOD(Dr.M. U. Kharat) and Faculties.*

## METASTORM

METASTORM is the annual event organized by SAC. SAC, being the independent body of students who organize this event along with many other social initiatives and outreach programs round the year.

**Started in 2012** with the aim of providing a platform for students to develop and showcase their technical prowess, it has now grown into one of Nasik's largest Technical festival. The activities culminate in a grand three day festival event in the month of September on the campus of MET's BKC, Nasik campus which attracts people from all over India, including students, academia, corporates and the general public.

### Highlights

- State level and highest acknowledged technical event in Nasik.
- Turnout of almost 3000+ students from in and around Maharashtra. Chief guests include technical tycoons, VIPs, dignitaries, socialists, businessmen, law enforcement etc.
- Conducting **State level events** like Programming Date, Brand War, Technical Hunt etc.
- Sponsored by the best industries in and around Nashik.
- Non – paid media coverage during events.
- Promoting companies and their products during the event.

## METASTORM 2023

We received a huge response from the enthusiastic students in regard to the technical, cultural and sports events. A cultural event under the name “Saarang” was hosted that gave students a platform to showcase their hobbies and talents. Also a debut Game event named “Technical Hunt” has set a new benchmarks for students.

### Inauguration Ceremony

A grand event was held for **the inauguration of METASTORM '23 on 02<sup>nd</sup> November 2023**. The event was conducted for 2 consecutive days from 02<sup>n</sup>– 03<sup>rd</sup> November 2023. Many of the sponsors from in and around nashik has enlighten the ceremony with their valuable presence. To name a few they were etc.

## **METASTORM 2023 - Events:**

A series of technical, non-technical and cultural events are conducted for the students over 2 days from technical and nontechnical background to showcase their skill and talent.

**This year, for the METASTORM 2023, we would be introducing a ‘Technical Hunt’ Technical Event and “Counter-Strike-2(CS2)” non-technical event** based on analytical, decision making abilities in the world of Mobile Gaming. Every Year we try to include a new event to groom students to their overall strengths and to set new milestone in SAC. METASTORM has been the one of the popular symposium in Nashik region which is recognized by reputed firms, Institutes and Companies in & around Nashik.

## **Technical Events**

### **Project-Mania:**

It's one of the amazing events we conducted from this year, wherein students are given a domain to select project topic and suggested them to prepare presentation and implementation of project title, present it. they have to present their project concepts to judges. This event was got a huge response from department student. **The event was judged by Prof. Ajit Shiradkar, Prof. S. B. Borse, Prof. Archana Banait, Prof. Revagad, Prof. V. B. More** through which students had got opportunity to have discussion on various technical things with the promising judges. Judges have given various insights to students about technical and programming skill, time management, analytical skill improvement and many more which surely helped them to improve their areas of reasoning and presentation. **This year it was organized on 02<sup>nd</sup> November 2023**
